The Review aims at publishing a selection of reports and disseminating results of original research, theoretical and empirical issues, book reviews, or any relevant communication in as wide a range of perspectives as possible\*. The review receives papers from all over the world in the attempt of serving as a forum of discussion between experts in various sciences and enabling a dynamic and fruitful exchange of opinions. Young researchers are encouraged to express their views in a special section dedicated to them. Coverage: The areas covered include, but are not limited to: economics, social sciences, humanities. Types of papers: topical manuscripts, essays, research articles, book reviews. It is a peer-reviewed journal. International Editorial Board. International diversity of the authors.
